

Document Of Compliance (DOC)

Gin Gliders Inc.

22318-32, Baegok-daero, Mohyeon-myeon, Cheoin-Gu, Yongin-city, Gyeonggi-Do
Zip Code: 17036
Korea

1. Compliance testing

1.1 Aeronautical testing

Gin Gliders Inc. confirm hereby, that during the aeronautical testing (testing according to EN regulations and general flying behaviour) by factory pilots of:

GIN Bolero 6 – Sizes XXS, XS, S, M, L and XL

no divergent or negative characteristics flight behaviour have occurred compared to the certified models.

1.2 EN 926-1 structural strength requirements and EN 926 series

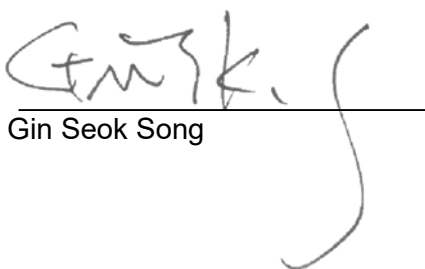

The above stated models have been tested by a testing house in compliance with both EN 926-1 and EN-929-2 and are therefore compliant with the EN 926 series.

2. Material change

The above stated models have been tested with the following material change:

- Porcher 70032 E3W as Dominico 20DMF(WR) and 30DMF(WR) substitute
Upper and lower sail rear

Place / Date: Yongin, 08. October 2021
